# Description

Discover the unique experience of owning a luxury motor yacht with Pelagia Yachting. Our team can help you find the perfect boat for your needs and desires. The M/Y JOMAR, built by Overmarine, is an impressive 40 m long and 7.76 m wide motor yacht – open currently available on the market. The yacht offers 5 cabins that can accommodate up to 11 people on board, alongside a range of onboard facilities such as fridge, sunbeds, gym equipment, Jacuzzi and Jetski x 2 amongst others. This magnificent vessel has also been recently renovated in 2019 and is equipped with two 16V MTU serie 4000 engines which provide speeds of up to 32 knots while consuming 24000L fuel per hour.

At Pelagia Yachting we understand that buying a yacht is an important decision that requires tailor-made services so our clients receive all the necessary information to make their purchase with confidence. With our extensive knowledge of the yachting world and network of professionals we ensure you have all the support needed from start to finish during your purchase journey. We are committed to offering you a privileged experience; one where quality is valued more than quantity so each individual customer receives personalised attention throughout their journey with us.

If you're looking for an exquisite motor yacht – open then M/Y JOMAR should be at top of your list! Get in touch with Pelagia Yachting today for more information about this amazing boat or any other model available on our website and let us guide you through a dreamy world of yachts tailored just for you!
