Description

Discover the unique experience of owning one of the most luxurious and exclusive motor yachts in the world: M/Y PHOENIX 2. Built by Lurssen in 2010 and renovated in 2019, this 90m long and 148.56m wide yacht will satisfy all your desires for a luxury lifestyle at sea. Boasting 7 cabins and 28 crew members, it can comfortably accommodate up to 14 guests. Its powerful twin screw diesel engines offer a cruising speed of 14 knots with a maximum speed of 18 knots. With its 205000L fuel tanks and 41760L water tanks, you will have an unforgettable experience on board without ever having to worry about running out of fuel or fresh water!

Our partner Pelagia Yachting is dedicated to providing tailored services throughout the entire purchase process of M/Y PHOENIX 2. Their experienced team of professionals will provide all the necessary information to make sure that you get exactly what you need for your yachting experience – from equipment onboard such as barbecues, fridges, sunbeds or even 8m+ tender boats – all perfectly suited for your individual needs. Additionally they can also help you find financing solutions if needed so that you don't have to worry about spending too much money on your purchase making sure that you get only the best price available on the market!

For those who want nothing but pure luxury at sea, look no further than M/Y Phoenix 2 – now available through Pelagia Yachting at an unbeatable price! Don't miss out on this opportunity; contact them today for more information and let them guide you through this exciting journey towards achieving your dream yacht!
