

FRAUSCHER 1414 DEMON AIR

MOANA

LENGTH 13.91 m | 45.63 ft

BUILDER FRAUSCHER

YEAR BUILT 2021

FRAUSCHER 1414 DEMON AIR

The Frauscher 1414 Demon Air differs in two main features not only from other Frauscher models, but also from its competitors: the dynamic all-carbon sunroof, which can be withdrawn sideways out of the hull and cover the rear cockpit area from the sun. Made of visible carbon fiber and a weight of only 150 kilos, the sunshade becomes a design object. Together with the side air intakes and the removable pillars for the sunroof in the bow seating area, which are also designed in carbon fiber, the sunroof also integrates speakers for an even better hi-fi sound onboard.

The 1414 Demon provides lots of living space: a relaxing lounge atmosphere with a large bathing platform, a well garnished outdoor galley, a uniquely designed interior with enough headroom, a spacious bathroom, a kitchenette, a sleeping accommodation up to four people. This boat has 2 double cabins, air conditioning, plenty of seatings, a convertible table into a large sunbed in the bow to enjoy the French Riviera's yachting lifestyle you have ever dreamed of while cruising at sea & at anchor. With this modern and elegant design, you will definitely arrive in St Tropez or Monaco in style and make a difference in all the bays & marinas on the Côte d'Azur.

BOAT OVERVIEW
